

NEED SOMEONE TO TALK TO?

Genesis Health System's Employee Assistant Program (EAP) can help! We provide free, confidential professional counseling to help you, or someone in your immediate family, resolve personal problems including:

- Marital
- Emotional stress
- Alcohol/drug abuse
- Caring for the elderly
- Family illness
- Family
- Financial
- Job stress
- Legal
- Addictions

Our program is free, confidential and completely voluntary. Your employer is not notified if you use the program, and your company pays for this benefit.

Take advantage of your EAP

It's free

It's confidential

It's a job benefit

It's available for you, your spouse and your dependents.

See reverse for office locations
and phone numbers.
